## WELCOME TO SHRI TRIPURA JUNIOR SCIENCE COLLEGE, LATUR

- Shri Tripura Junior Science College is located near Chatrapati Shivaji Chowk on Ambajogai Road in Latur. It is one of the best campuses in the heart of the city. The college is distinct in itself because of its unique features. We provide college, coaching, supervised study and hostel-mess facility under one roof.
- We pioneered IIT-JEE and NEET coaching before a decade and have been doing so with glorious trail of results since the inception. We ensure holistic development of our students by giving equal importance to teaching and lab experiments. We are particular about in-depth understanding of all concepts and so implement cutting edge educational practices and have adopted the state of art educational technology for addressing multiple literacy.
- Our students undertake study in a tension free manner because our schedule and infrastructure help them best in time and study management. Our teacher-student ratio is very ideal. We are committed to disseminating knowledge of Science and character building of students.
- Welcome to Shri Tripura Junior Science College, one of the finest educational hubs.

या कुन्देन्दु तुषार हार धवला,  
या शुभ्र वस्त्रावृता।  
या विणा वर दण्ड मण्डितकरा,  
या श्वेत पद्मासना॥  
या ब्रह्माच्युत शङ्कर प्रभृतिभिः,  
देवैः सदा वंदिता।  
सा मां पान्तु सरस्वती भगवती,  
निःशेष जाडया पहा॥

## OUR VISION

We envisage a very healthy Indian society equipped with skills to handle the state of art technology. We visualize a very promising Indian society global in aspirations and acquirements but sensitive thorough to commit themselves for welfare of all humanity staking their vested interests.

## OUR MISSION

We aim at providing knowledge on par with global standards to all our students. We are committed to equip our students with knowledge and skills leading to wisdom which is required to live successfully in the world.

## OUR EXPECTATIONS FROM STUDENTS

- Be always honest to your parents and teachers.
- Believe in perseverance.
- Practice punctuality in daily routine.
- Lead simple and high moral life.
- Love your motherland.

# THE LEGACY

Prof. Umakant Honrao is the 21<sup>st</sup> century educationist who has diversified and enriched the paradigm of Latur Pattern by setting up educational institutes against all odds. This awe-inspiring pioneer set up Shri Sangmeshwar Charitable Trust, Latur and under its aegis run Reliance IIT-JEE and Medical Academy, Shri Tripura Junior Science College, Edu. Reliance Latur Pattern Pvt. Ltd. and Distance Learning Program.

We have successfully completed glorious journey of 18 years in the pious field of education and coaching preparing students for the national level Medical and Engineering entrance exams i.e. NEET, BHU, AIIMS, IIT-JEE, BITS, NDA, etc. It is very important to note that Prof. Umakant Honrao is the very visionary who initiated National Level Coaching at Latur similar to the institutes from Kota, Delhi and Hyderabad. Gone are the days when the students had to go to these cities for the preparation of these exams. Our educational campus provides cutting-edge educational facilities for attainment of excellence in national level competitive exams coveted by science students of junior college. Our results of these exams have been exceptional. We have started our branch at Belgaum recently with same missionary zeal.

## Prof. Umakant Honrao

- Pioneer of Latur Pattern for National Competitive Exams
- President Shri Sangmeshwar Charitable Trust
- Mentor of Thousands of Doctors and IITians

Dear parents,

We Edu. Reliance Latur Pattern Pvt. Ltd. have been working for successive 18 years in competitive exam guidance. We have achieved notable success by preparing std. XI and XII science students in cracking national level competitive exams i.e. NEET, JEE, NDA, AIIMS, etc.

We are immensely happy to inform you that we have recently launched our new branch at Belgaum. We know that the two years after std X exam are crucial in the intellectual development of the students when they should be fully goal focused under expert guidance. For 18 years, RNTSE has been conducting aptitude test for std. X appeared students for analyzing their IQ. This helps us to design students specific plan and execute our study programme. This method has proved highly useful in getting glorious success to our students in Maharashtra State. Now we have launched our program at Belgaum. I very much anticipate that the people and students of this vicinity too will welcome our endeavours.

## **Mrs. Sulakshana Kevalram**

- Principal
- Shri Tripura Junior Science College, Latur

Reliance Latur Pattern, Shri Tripura Junior Science College, Latur have completed 18th years of successful service. Our students and their parents have been our partners in this journey of success and we all are grateful to them for their continuous support.

Over a couple of decades, Latur has become the prime educational hub in Maharashtra. The methods adopted for teaching have revolutionized teaching-learning process and earned itself the famous name 'Latur Pattern'. It started with the prime motive of coaching students to crack the state level medical and engineering entrance exams (MH-CET) and gradually came to be extended to national level entrance exams such as IIT-JEE, AIPMT, NEET, NDA etc..

The track record of our institute vouches for its effectiveness. Reliance College has earned a reputation for itself owing to perseverance and commitment to excellence over 18 years. Our phenomenal growth is only due to the support and faith of the of students and devoted parents. We continuously innovate, improve and renew our teaching methods according to the global needs.

## COURSE - 1

### STD. VIII, IX AND X COACHING FOR

**JEE | NEET | NDA**

### WITH SCHOOL SUBJECTS

- Students studying Std. XII must pass national level entrance exams like IIT, NEET, BITS, BHU, AIIMS, VIT Vellore, NDA, etc. so as to get admission in reputed autonomous and government Engineering / Medical colleges. As the difficulty level of these entrance exams is very high, the concerned students mostly find that preparation duration of 2 years (Std. XI and XII academic years) is quite insufficient. It is necessary that students aspiring to crack these tests must prepare for the exams during std. VIII, IX and X years. The foundation course along their regular school subjects makes students sound in knowledge and skilled to crack these exams with assured success.
- Students completing std. VIII, IX and X Foundation Course find it easy to study std. XI and XII subjects and prepare confidently for national level eligibility tests. National level faculties from Delhi, Kota and Hyderabad, etc. teach core concepts of std. XI and XII CBSE Syllabus in this course.
- Comprehensive training of English Language is scheduled as part of the course so that students become expert users of English in writing and speaking. This helps students in pursuing Std. XI and Std. XII study which is only in English medium.

## COURSE - 2

### STD. X APPEARED STUDENTS

### VACATION FOUNDATION COURSE FOR

### JEE | NEET | NDA | IISER | BITS

- Std. X appeared students have about 3 months vacation period after the board exams till securing admission in std. XI. These students have these three precious months at their disposal which they can utilize for the preparation of the entrance exams.
- The vacation period will provide them enough time to revise their school science and Maths. They can also be introduced to core concepts of Physics, Maths, Biology and Chemistry which they find easy to understand during next two years as the novelty of these subjects wanes because of pursuing foundation course. During the course students are made aware of syllabus of science for std. XI and XII, nature of National Level Medical and Engineering entrance exams and the kind of work a Doctor or an Engineer is supposed to undertake. Students are also given career guidance in the course. The career guidance mentally prepares the students to choose their career judiciously and wisely as per their aptitude.
- The foundation Course has provision of hostel and mess facility and supervised night study hours including 9 hours coaching schedule. Doubts are cleared by subject experts during the supervised study hours. National level faculties from Delhi, Kota and Hyderabad teach core concepts of std. XI and XII CBSE Syllabus in this course.
- Comprehensive training of English Language is scheduled as part of the course so that students become expert users of English in writing and speaking. This helps students in pursuing Std. XI and Std. XII study which is only in English medium.

### STD. XI SCIENCE REGULAR +

JEE | NEET | NDA | IISER | BITS

- The admission procedure for college and this course is completed based on std. X Board marks. This course duration is of 8 months beginning in June and ending in January. The std. Xi Annual Exam will be conducted in last week of January.
- CBSE and State Board Syllabi of Science (Physics, Chemistry and Biology) Maths are taught in this course. Daily 9 hours teaching-learning schedule includes IIT-JEE, NEET and NDA coaching.
- After dinner supervised study hourse and conducted from 7.00 pm to 10.30 pm. Doubts are cleared by subject experts during the supervised study hours.
- We plan Comprehensiva coaching of State Board and CBSE syllabi. All concepts of every subject are taught in a v ery easy manner for the understanding of students.
- National level famous guest lecturers are invited to guide the students from time to time.
- The college sponsors under its auspices Hostel and Mess facility for the students doing this course.

### STD. XII SCIENCE UNIFIED COURSE +

JEE | NEET | NDA | IISER | BITS

## 12TH UNIFIED COURSE

- Both 11th and 12th preparation are needed to compete at national level in IIT JEE & NEET exams. After completing the 11th many of the students find themselves incomplete in preparation of these exams. We as a institute are starting a course for such students which will cover syllabus of 11th standard as well. We will complete syllabus for both 11th and 12th in a duration which will eliminate the need for attempting the 11th standard course once again.
- Each batch will contain at the max 80 students. There will be lecturers from Kota, Delhi, Hyderabad to teach. Everyday 8 hours of coaching will be there. Daily Practice Program, Doubt sessions, Digital Classrooms, Weekly Advance Test, Quality Study material Content based on New Pattern & much more are included as part of this course.

### STD. XII SCIENCE REGULAR +

### JEE | NEET | NDA | IISER | BITS

- Std. XII regular course begins in the month of February immediately after std. XI Annual Exam.
- The course entails comprehensive coaching of state board and CBSE syllabi.
- The college and IIT-JEE, NEET and NDA tutorials are scheduled for 9 hours daily.
- The supervised study hours are arranged from 7.00 pm to 10.30 pm.
- After the completion of syllabus in the month of November, subjective and objective exams and mock tests of IIT-JEE, NEET and NDA are arranged along the revision of the subjects till January end.
- Lecturers are available whole day in the college during std. XII Board Exams for clearing doubt of the students.
- National level famous guest lecturers are invited to guide the students from time to time.
- Students doing std. XII Regular Course have default admission to Crash Course which is scheduled after board exams.
- The college provides coaching, supervised night study and Hostel-Mess facility under its aegis for the students of this course.

(RAFPI) BOYS AND GIRLS

**NDA + STD. XI, XII SCIENCE REGULAR**

**DO YOU WANT TO JOIN NDA & DEFENCE SERVICES?**

RAFPI is the one stop solution for NDA & Defence Exams

**WHY RAFPI?**

Extensive Focus on written exams & Result  
Oriented work  
Daily Classes for SSB Interview  
Consistent Result Monitoring  
Weekly Test on NDA Pattern  
Daily Physical Routine for Physical Fitness

**VISION OF RAFPI**

- Vision of RAFPI is about selecting 80 trainable boys and girls of class 10th from across the country and preparing them meticulously over two years to ensure they join the National defence Academy / Indian Naval Academy / Air Force Airmen Group- X & Y, Indian Navy SSR & AA as officer & other cadets just after they qualify 12th Board Examination.
- RAFPI also prepares you for NCO entries of Indian Airforce, Indian Navy, Indian Coastguard and also for the others Government Exams to ensure that you get a government job in the Armed Forces just after qualifying 12th Board Examination

**NDA STAGE : 2 INTELLIGENCE & PERSONALITY TEST (SSB INTERVIEWS)**

The SSB Procedure comprises two stage selection process - Stage I and Stage II.

PAPER	SYLLABUS
Mathematics	1. Algebra 2. Matrices and Determinants 3. Trigonometry 4. Vector Algebra 5. Analytical Geometry in two and three dimension 6. Differential Equations 8. Statistics and Probability
General Ability Test	Part A (English), Part B (General knowledge Physics, Chemistry, General Science, Social Studies, Geography, Current Events.)

**STAGE I : WRITTEN TEST**

The entrance for NDA comprises a Written Exam followed by SSB Interviews.

The details follow :

Details of the Written Examination For National Defence Academy :

PAPER	SUBJECT	DURATION	NO. OF QUESTIONS	MAX MARKS
1	MATHEMATICS	2.5 HOURS	120	300
2	GENERAL ABILITY TEST	2.5 HOURS	150	600
<b>TOTAL</b>				900

**STAGE I**

This stage comprises the following set of activities:

- Officer Intelligence Rating (OIR) Test
- Picture Preception and Description Test (PP & DT)

After all candidates have undergone stage I, the results are declared on the basis of the combined performance in OIR Test and PP & DT Recommended candidates are retained for stage-II testing while other are sent back

**TARGET BATCH (REPEATER BATCH)**  
**FOR STD. XII PASSED STUDENTS**

**JEE | NEET | NDA | IISER | BITS**

This course is arranged for students who have decided to get higher scores by preparing one more year for the National Level Entrance Exams. The course ensures in detail chapterwise explanation of all subjects and important concepts of each one.

However, the course emphasizes more on exams and remedial measures.

As many as 30 chapterwise exams are scheduled and subsequently discussion classes are arranged for feedback.

The course also includes 40 exams on entire syllabus modeled on the past question papers of National Level Final Exams. The course gives maximum scope for improvement through problem solving and discussion classes.

This course helps students to fulfill their dream of getting highest scores confidently.

- The college and IIT-JEE, NEET and NDA tutorials are scheduled for 9 hours daily
- The supervised study hours are arranged from 7.00 pm. to 10.30 pm.
- The college provides Hostel-Mess facility under its aegis for the students of this course.

## RELIANCE SCHOLARSHIP CUM-ADMISSION TEST (RSAT)

**JEE | NEET | NDA | IISER | BITS**

- The test shortlists students for attractive scholarship particularly the students of economically weaker section of society.
- RNTSE model paper is based on JEE and NEET pattern so that students are acquainted with computer based tests (CBTs). It overcomes limits of space, time and is cost effective.

### PAPER PATTERN :

## DISTANCE LEARNING PROGRAMME

JEE | NEET | NDA | IISER | BITS

- Learning and playing or multitasking is the new mantra of the new age generation kids where the kids are playing different roles in their routine daily life and that is why online education is Trending amongst them.
- We at Reliance Latur Pattern have always been with the latest trends and technology benefitting to our students and their needs, this has embarked us to introduce latest stream of Learning Online Module. As a pioneer in the field of education we have made a World class platform of online learning and Mock tests for students.
- Most of the competitive exams (JEE & NEET) are online and amongst students across India, so preparing the student for this breed of examinations is an uphill task, which is precisely we have adapted an encyclopedic approach towards teaching of this students.
- The online module consists of Systematic learning of each concepts through videos and content online consistently revising the theories and concepts, special module for doubt clearance.
- Please visit our website for Further details [www.edurlp.com](http://www.edurlp.com)

## INFRASTRUCTURE

Shri Tripura Junior Science College, Latur is architecturally designed to make teaching-learning ambience effective. The college building, study room and Hostel-Mess facilities within one campus. CCTV camera surveillance, RO-water, well ventilated class rooms with best seating arrangement and spacious passages make our campus safe and hygiene Friendly. Sanitation measures and repairs are sensitively attended to with due urgency

- **Library**
- **Computer Lab / Digital Library**
- **Online Test Lab**
- **Laboratory**
- **Smart Classroom**
- **SAP - Self Assessment Programme**
- **Supervised Study Centre**
- **Hostel**
- **Transport and Transporation Facility**
- **Mess**
- **Morning Yoga**
- **College OPD**

## LIBRARY

Our Library boasts of 18000 books comprising of the best editions of international reference books. These books quench the thirst of young knowledge seekers. The supervised study room and Library go hand in hand. Students can borrow any Library book for their self-study. Access to Library books widens the students horizon of understanding. The presence of books in the study room creates perfect ambience for study.

## COMPUTER LAB / DIGITAL LIBRARY

Modern education is incomplete without the study of latest branches of knowledge. Information Technology is the most popular branch of study cutting across all spheres of life including education. In Fact, it has become a main subject of teaching from primary school syllabus to PG level. We have it as vocational subject. Students can study it as optional subject in stds. XI and XII. The computer lab with WI-FI and the internet connectivity is an integral part of our system. Students gain latest knowledge and IT skills using the computers.

## ONLINE TEST LAB

Modern education is incomplete without the study of latest branches of knowledge. Information Technology is the most popular branch of study cutting across all spheres of life including education. In fact, it has become a main subject of teaching from primary school syllabus to PG level. We have it as vocational subject. Students can study it as optional subject in stds. XI and XII. The computer lab with WI-FI and the internet connectivity is an integral part of our system. Students get practice of taking online tests on the lines of JEE and NEET.

## LABORATORY

Experimentation and observation are important in drawing conclusions in all sciences. Subject-wise Physics Lab, Chemistry Lab, Biology Lab and Maths Lab constitute an essential part of our coaching programme. The experiments conducted here consolidate sound understanding of every core concepts of science. Science labs are the powerhouse of our teaching-learning process.

## SMART CLASSROOMS

The spacious classrooms on campus are equipped with LCD projectors to implement an interactive learning experience for the students. The design of the classrooms facilitates a free exchanges of ideas between students and teachers. The smart board saves teachers time while drawing graphs and mathematical diagrams. The smart projector allows the teachers to take their teaching out of class and connect it to wider world of internet allowing them to use video files, PPT and other online resources as per their choice. The campus also has Conference and Seminar halls with audio visual aids and multimedia Facilities.

## SAP-SELF ASSESSMENT PROGRAMME

SAP is self assessment programme. Actually this program for student development program. This Sap program is based on topic discussion program while completing topic the teacher gives 45-50 question on paper and that paper is distributed to the student before one day and next day the faculty discussion on that paper so, one day one subject get's completed. So, all subject discussion program completed on daily basis.

## SUPERVISED STUDY CENTRE

The study Room is one of the most unique facilities developed by us consciously and its implementation in everyday study schedule avails the students of opportunity to study books of their choice, or have access to tab-aided revision or meet subject experts for clarification of doubts in case of difficult concepts. The study Hours are from 7 pm to 10.30 pm. The environment of study room is very calm. It encourages students to visit it every day. They derive joy of learning as they get independence of using the learning method of their choice.

## HOSTELS

We provide hostels to our students with cleanliness and other amenities including 24 Hour Ro-water for drinking and hot water for bathing in the morning. A trained warden is in-charge other amenities to students. The warden keeps the study supervisor and class supervisors updated about the student's daily the warden immediately ensures treatment by referring him to doctor. Girl's hostel is under 24 hour supervision of two matrons. They guide and help the students and provide them amenities required. The hostels are kept clean 24 x 7 by our house keeping staff. 24x7 strict vigilance for safety is our top priority at the hostels and college campus. All the campus of our institute is under CCTV surveillance. The College Building, The study Center. The Hostels and Mess are under the observation of our trained and sensitive staff. Students do not need to wash their clothes. Laundry facility is available to the students staying at Hostels.

## CANTEEN

Reliance mess is the pure veg-food facility. Selection of food grains and other ingredients, shifting, grinding, cooking, serving, etc. are monitored consciously for quality and hygiene assurance. One breakfast with fruits or milk and two meals a day are provided to the member students. Ro-water for drinking is provided. Lecturers and other members of the staff take their meals with the students.

## LAUNDRY & TRANSPORTATION FACILITY

Reliance provides to residential students laundry facility viz. 2 Dress washing & pressing per week Washing towels, bed sheets, blankets etc. Transportation The institute has arranged its own college buses for safe commuting of students between the hostels and the college if the hostel is at far distance from the college. It fully ensures students safety and saves their precious time. The transport of the college is also available for students of Latur City.

## MORNING YOGA

Students life is very hectic. The need energy the whild day. We have arranged Yoga sessions at hostels every morning. The are guided by trained Yoga experts. Students get energised for the whole day. The are recharged with positive energy. They feel fresh the whole day and their concentration level improves because of performing Yoga. Performing Yoga thus lets students remain mentally alert and physically fit.

## COLLEGE OPD

The College runs an OPD. We have appointed a trained Physician for First add and treating minor health complaints of our students staying at hostels. This facility is optional and covers treatment up to the limit of Rs. 1000/- only.

## OUR HIGHLIGHTS

- Reliance Latur Pattern is a very reputed institute of its kind in Maharashtra. It prepares std. XI and XII Science students to take confidently national level Medical and Engineering entrance exams like IIT, JEE Mains, BITS, NDA, IISER, BHU, VIT Vellore, etcetra.
- The institution provides Hostel-Mess facility under its aegis. Supervised study, tutorials and doubt clearing sessions are our important highlights.
- Our educational campus is committed to provide our students quality education and tutorials on Pan-India level like the ones in Kota, Delhi, Hyderabad etc.
- The students scoring low marks/grades in Secondary School Board Exam (std. 10th) have also excelled in IIT-JEE, NEET and AIIMS entrance exams after two years time tested coaching schedule of our college. Edu. Reliance Latur Pattern has earned a renown for itself over years thanks to consistent high scores gained by such so called once under-performers in National Level Engineering and Medical entrance exams. The joy of such students is our real reward which keeps up continue this saga of success.

# EDU. RELIANCE LATUR PATTERN

## RESEARCH AND DEVELOPMENT SECTION (RND)

Research and Development wing of our institute undertakes the task of preparation of course modules for JEE, NEET, AIIMS and NDA. The subject experts work painstakingly preparing comprehensive study modules based on standard reference books. The RND section also prepares test papers modeled on past papers of aforesaid final exams. Separate study modules comprise of - A) Concept Booster, B) Chapter at a glance, C) Miscellaneous Question, D) Spark Questions, E) Entrance Exam Zone, F) Solved and unsolved questions, G) Question papers of Previous Exams.

The modules explain concepts in a lucid manner for student's in-depth understanding in concept booster section. Study material covers short notes, Figures, diagrams, formulae, equation, Hot questions, etc. These books are a panacea in a way that students do not need to use other books for preparation of these exams. They do not need to dabble in the sea of books. They help the students to prepare for all the exams with concentration and confidence.

The RND section also prepares Daily Practice Program (DPP) consisting of teaching learning unit of the day, questions based on that sub-topic of the day and unsolved questions for students to attempt at home. The RND section prepares standard question papers of periodic mock tests based on past papers of JEE-Main/JEE-Advanced, NEET, NDA and AIIMS. The Answer key of each question paper is also made available to the teacher.

## DISTANCE LEARNING PROGRAMME (DLP)

Distance Learning Program is another milestone in our system. Students From Maharashtra can avail themselves of our DLP material. We provide standard Course modules on NEET, JEE, NDA, AIIMS, etc. The study modules are developed by our subject experts in research and development section. Students studying elsewhere in Maharashtra can have access to our notes/study modules. The students under DLP are given 15th Modules periodically. They also get weekly tests.

Our contact centers are established at convenient places. Students under DLP can get admission to our JEE, NEET, AIIMS & NDA Crash Course at concessional Fees after std. XII Board Exam. DLP students can get guidance from our home center on telephone from 7 pm to 10.30 pm every day.

# DIGI. RELIANCE LATUR PATTERN

## DISTANCE LEARNING PROGRAMME (DLP)

Students daily attendance is very important and sensitive work that teacher has to attend to. We use Biometric machine for taking daily attendance. This saves time of students and teachers and ensures transparency in maintaining this work.

### ➤ Tele-Call

Class supervisors and students can use college phone Facility 24 x 7. The supervisors communicate to parents the students daily/ weekly study progress, exam performance, attendance status quo on daily basis. Students can talk to parents using college phone free as and when needed. So, students do not have to carry cell-phones at all.

## SMS Service

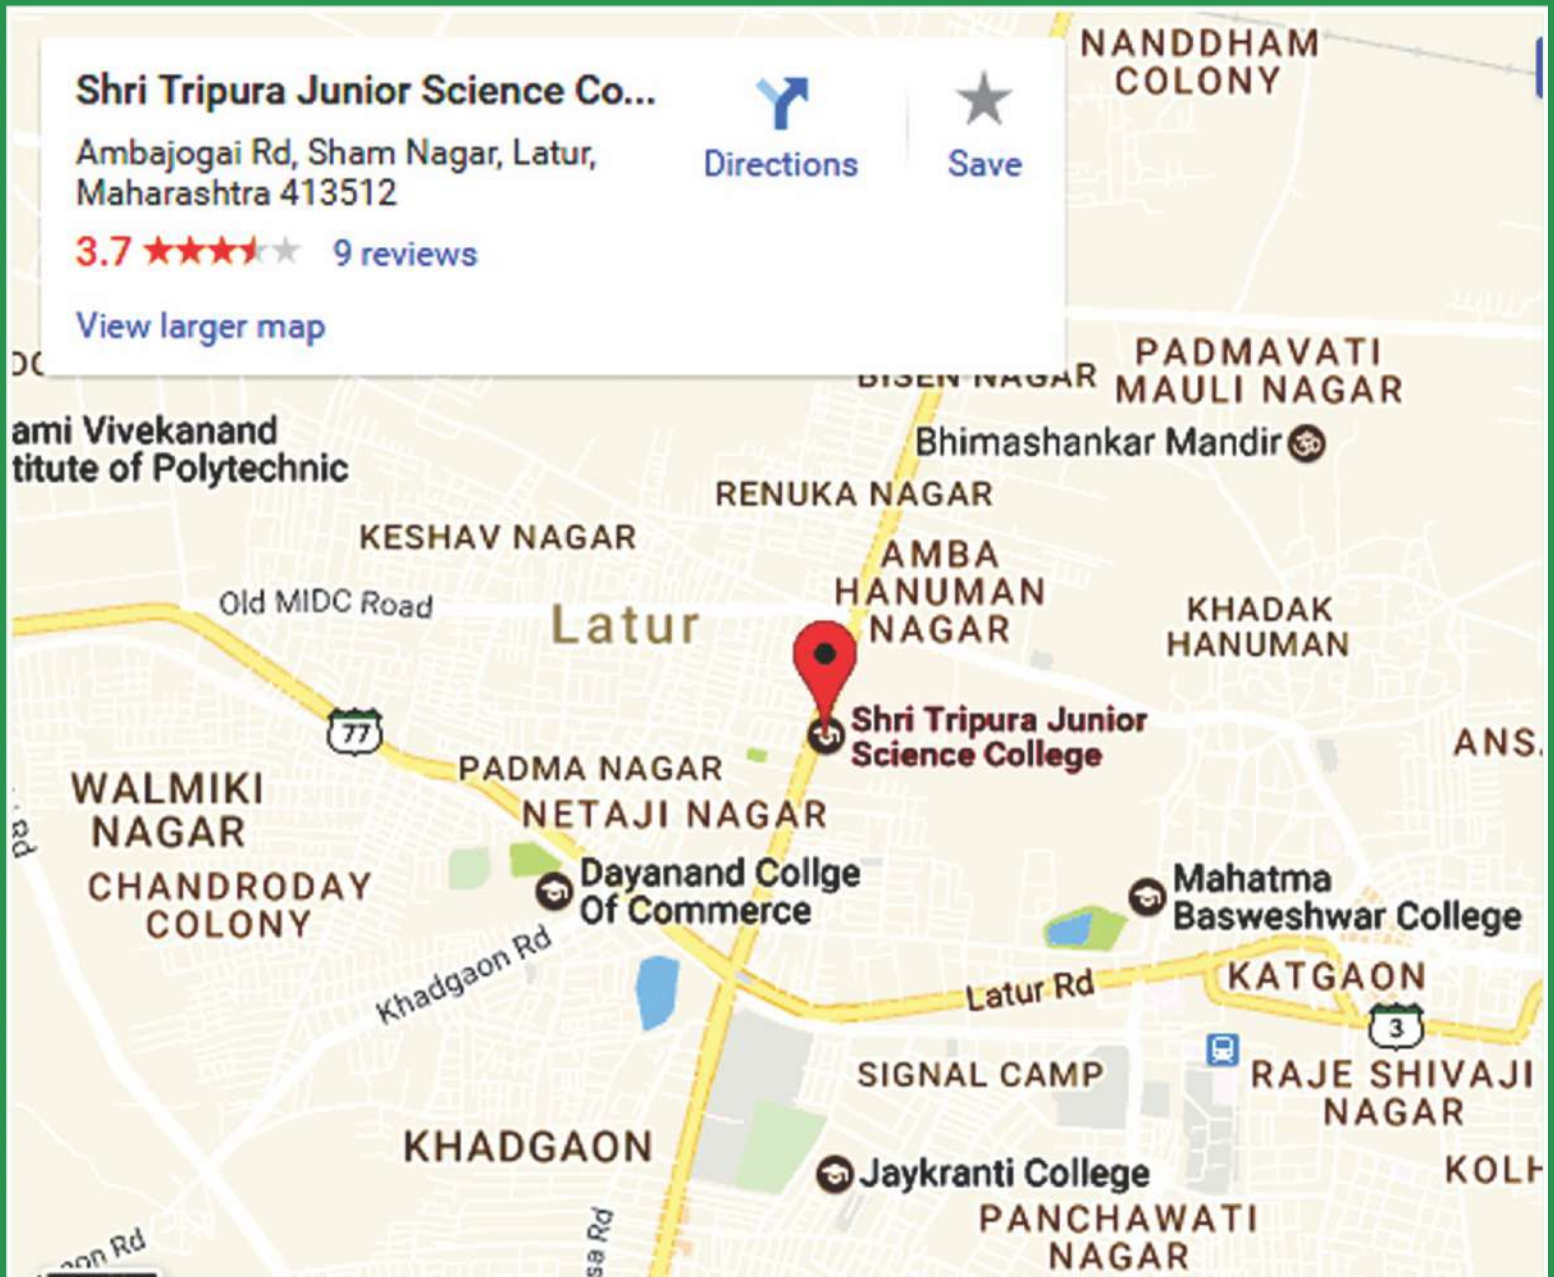

The short message service of ours keeps parents updated about the students attendance, test performance and study-related details. The parents can get other alerts through SMS service. It helps us to get Feedback. If need be, parent-teacher meet can be arranged for progress analysis and study-strategy for improvement.

## NEET | JEE ALL CHAPTERS PRE-RECORDED VIDEO LECTURES

- NEET | JEE All Chapter Pre-recorded video Lectures
- Doubt Clearance and Live Faculty Interaction
- NEET, JEE Monthly and Weekly Test
- Random Practice Test for Self Analysis
- Soft Copy and Hard Copy Study Material
- Top Faculty Video Lectures.
